

## Powder White in association with Berry Brothers & Rudd

Whilst we are confident that you will enjoy the wines that are included if you are taking a catered holiday, we want to give you the opportunity to order some more serious wines at excellent prices, to enhance your holiday even further. We are pleased to be working in association with Berry Brothers & Rudd, who are the oldest wine and spirits merchant, having traded from the same shop for over 300 years. Berrys first supplied wine to the British Royal Family during the reign of King George III and has continued to do so to the present day. Following is a list of champagne, red, white and dessert wines that have been carefully selected from the Berry Brothers & Rudd wine cellar. They are available by the bottle, which can be put together in mixed cases for you, and be waiting in your chalet on your arrival.

Please can you let us know which wines and in what quantities at least 2 weeks before the start of your holiday, so we can guarantee to get the wines to you on time. All wines are subject to availability. Shipping will vary according to the quantity ordered and the distance to resort however should be in the region of £40-£60 for a couple of bottles and £60-£90 for a full case.
